**TOWNSHIP
BULLETIN**

WELCOME

It is with great pleasure that we are introducing the Township Bulletin. It is our desire to keep the community abreast on issues and activities that are taking place in and around the township.

We hope that you, the community members, enjoy this publication and we would like to have your feedback for items to be published in future editions.

It is our hope that this newsletter will help you keep up on projects taking place and so much more. If your child or grandchild is celebrating a milestone, let us know, if you would like to have birthday's or anniversary's listed, let us know that too!

We want this publication to be YOUR connection to what is taking place in YOUR community.

It is our ultimate desire to produce this publication with your help and input. With your help, we can keep the community up to date on many important events in addition to plans for our future.

Please contact the office for any items that you would like to see published or with any feedback that you may have on making our newsletter a success.

SPOT LIGHT ON...**THE TOWNSHIP**

Our road crew at Dunkard Township consistently works hard to maintain and improve our township. Each employee brings their unique talent, ideas and work ethic through the door every day. From the daily administrative duties and routine maintenance, to clearing roads of debris or snow, to assisting with the Food Bank, they are there for all of us to ensure that our roads are at their best.

With this crew working diligently together, we are able to accomplish many of the projects that we undertake to improve the roadways.

We would like to recognize each of them for their hard work and dedication to the township.

TROUT STOCKING SUCCESSFUL

The 6th Annual Trout Stocking Day was an enormous success ! Everyone that attended enjoyed the event that is focused on family fun and bringing our youth to the outdoors. With the help of our sponsors, we were able to place the largest amount of trout in the creek to date.

We would like to thank our generous sponsors for making this annual event possible, the many volunteers, participants and the Greensboro Volunteer Fire Department for providing food and beverages.

Can't wait to see you next year!

DUNKARD MUNICIPAL PARK

We are proud to announce that we have taken great strides to enhance the Municipal Park with an overdue facelift. A new pavilion has been completed and is ready for the 2026 season. During the makeover, two grills and new picnic tables were added and the restrooms have been updated.
